Registrar General's Office,
Sydney, 1 October, 1871.

Sir,

I have the honor to transmit herewith the Statistical Register for the year 1870, accompanied by the usual Report, which brings under notice some of the most important general results obtained from the Returns published in detail in the Register.

The estimated population of the Colony on 31 December, 1869, was 485,356, Page 2. to which must be added the excess of births over deaths for the year 1870, amounting to 13,090, and the number of arrivals over departures, 4,415. The total estimated population on 31 December, 1870, will be 502,861, which is an increase on the previous year of 17,505, or 3·60 per cent.

Births, Marriages, and Deaths.

Immigration.

No immigrants arrived during the year 1870 at the public expense. On Page 4. page 4 there is a return showing the number of immigrants who arrived in the Colony, commencing from the year 1861, distinguishing those brought out at the public expense from those who paid their own passages. Another return will be found on page 188, showing the amount expended on immigration out of the public funds.

There were 652 patients in the Hospital for the Insane at Gladesville on Page 4. 31st December, 1869, and 197 were admitted during the year 1870, making a total of 849 under care during the year. Out of this number there were 76 discharged, recovered; 9 discharged, relieved; 234 removed, not improved; 29 died, and 1 escaped, in all 349,—leaving on 31st December last a total number of 500 patients in the Institution.

The number of inmates in the Free Lunatic Asylum at Parramatta on 31st December, 1869, was 490. Thus there remained 698 inmates on the 31st December last, on which date

FITZ ROY DRY DOCK, COCKATOO ISLAND.

Conditions.

All vessels belonging to H. M. Navy, the Colonial Government, and men-of-war of other nations, will be admitted to repair in the Fitz Roy Dock, Sydney Harbour, free of any dock dues or rates, but they will be required to repay all actual expenditure of stores, wages, and material.

All other vessels will be liable to a minimum dock-rate of 6d. per ton per diem, if of 1,500 tons register or upwards, and an additional $\frac{1}{8}$th of a penny per ton for every decrease of 50 tons or portion of 50 tons down to a maximum rate of 9d. per ton for a vessel of 300 tons, and all below, as set forth in the scale attached hereto.

Double rates will be charged for the day of docking.

The Dock dues will include and cover the cost of pumping, shoring, wedges, and blocking, and the cost of all labour connected with opening and closing the Dock, and all incidental labour connected with the actual operation of docking a vessel.

No vessel will be permitted to enter the Dock with gunpowder or combustible ammunition on board.

Workshops and Machinery.

Vessels in Dock and private engineering establishments will be permitted to avail themselves of any portion of the machinery of the Dockyard workshops on payment of a rate per hour; preference being always given to the requirements of a vessel in Dock. These charges will be in addition to Dock dues, and in accordance with the rates mentioned in the subjoined Schedule.

The rate for the machinery will include the cost of putting and maintaining the machine in motion, the use of the 20-ton overhead traversing crane, and all tools belonging to the Machine in use, but nothing further.
